Our final pool session of 2019 is on Friday 13th December and will be a Christmas games evening as usual, plus our annual rolling competition for those who wish to take part.

We return to the pool again on Friday 3rd January and the 2020 pool programme is attached.

New Leisure Centre Opening

It seems to be happening!!!

Our last session in the current pool is on Friday 3rd January... come and say goodbye... and we will be holding an 'all are welcome' polo games evening for existing and past members.

There will be no session on Friday 10th January whilst the Centre swaps home and we re-start on Friday 17th January in the new pool.

Everyone Active will be holding a 'come and see us' day in the new Leisure Centre on Saturday 11th January 2020, so come and have a look.
