Alton Canoe Club DUCK AWARDS

Starting from next Friday we will be endeavouring to run our new Club Training Award scheme.

This is a scheme for everyone and it will help us to provide a simple and fun way to progress your paddling skills, hopefully ready for the great outdoors next year.

British Canoeing Membership

If you are not already a member of our governing body 'British Canoeing', may we suggest that you consider joining?

The main benefits are: Third party liability insurance cover, free Environment Agency and a British Waterway's licence. Paddle on the Wey, Thames and Basingstoke Canal legally!

... and it saves us £2.00 on our club affiliation fee!

Check out their website for details: www.britishcanoeing.org.uk
