

ALTON CANOE CLUB

NEWSLETTER

Late summer 2026

We hope you enjoyed the summer programme, but it is nearing its end again, so just the few usual notes to take us up to the start of this year's pool sessions.

Outdoor meetings

Our final Friday evening outdoor paddle of 2026 is on the **4th September at Bracklesham Bay**, please see the summer calendar and float plan ACC6 for details.

Pool calendar

We return to the Sports Centre on **Friday 11th September 2026**. Attached is the calendar for pool sessions until the end of the year.

Note: we are staying with the revised the pool session structure and timings this year as it seemed to work well, please see calendar and separate detail sheet.

Please don't forget that **we need your support and assistance** especially poolside on Friday evenings. You do not need any special skills, just a little bit of commitment and a willingness to help the team run the evenings.

Club equipment

Spray decks, buoyancy aids, paddles and helmets

If you borrowed any swimming pool kit during the summer, please ensure it is **returned clean, before or at the first pool session**. If this is a problem, please make contact well before the 11th September.

Borrowed club kayaks

Please make contact to discuss either their return or foster homing. No rush!

AGM - Friday 25th September at 8.30pm in the Sports Centre Café area.

We will finish the pool session before the meeting at 8.15pm.

Please try and join us this year ... it is your club!
